Pre-Hire Checklist

- ☐ Verify contractor licence is current
- ☐ Request certificate of insurance (public liability \$5M+)
- ☐ Call 2 recent references
- ☐ Review contract terms and cancellation policy
- ☐ Confirm written quote matches scope of works
- ☐ Agree on variation process for changes
- ☐ Set payment milestones tied to completed work
- ☐ Document site photos before work begins

Never pay more than 10-20% deposit. Tie progress payments to completed milestones, not calendar dates. Get everything in writing -- verbal promises are not enforceable.
